The Creative Mural Project

By Somerset Academy

Community Outreach

The class of Somerset will be visiting M3 Studios for a field trip, getting a behind the scenes look at a professional film and television studio.

Students ranging from the Elementary to High school level will be attending, and will create and paint a mural that will live in the studio. Adding to the creativity and atmosphere of the facility.

Inspiration...

M3 Studios aims to inspire and fuel the creativity that exists in the youth of today. By getting a look at a real Hollywood studio, we may demonstrate the potential and ambition that exists in each student.

We will provide everything that is necessary for the project, and ensure that the children have a great and fulfilling experience. Our goal is to foster creativity, vision, and inspire the next generation that a strong foundation in the arts allows for a stronger cultural community.

Their creative outlet will be greatly appreciated and admired by some of the biggest stars of the entertainment industry that frequent M3 Studios such as Pitbull, Flo-Rida, Prince Royce, Terrence Howard, Queen Latifah, Reik, Lil Wayne, Trey Songz, HBO, Telemundo, Univision, Target, Nickelodeon and more.
